Our Financial Policy

Non- Insured patients are expected to pay in full with cash, check or credit card the day the service is rendered unless specific arrangements are made in advanced.

For those patients who are covered by insurance, we will accept assignment of benefits. This means that you must sign the portion of your insurance form that “assigns” payment to our office. Most dental insurance plans do not cover 100% of the cost of your treatment. Because of this and the extreme delay in receiving payment from the insurance company, you will be asked to pay for deductible and your portion of your charges the day the service is rendered. We will estimate as closely as possible your coverage, but until we actually receive the payment from the insurance company, it is just an estimate. We will assist you in dealing with your insurance company, but the ultimate responsibility lies with you. After 45 days the balance will be due in full from you.

Contracts may be set up to facilitate your treatment plan. Ask our Financial Secretary for details if you need alternate financial arrangements.

Feel free to ask any questions that remain unanswered either before or after treatment. We wish to be of assistance if we can.
